

The Benevolence Ministry of First Baptist Wylie was established to minister to those experiencing a financial crisis; as such, any assistance provided could be done on a one-time only basis. Please be aware that completing the form does not guarantee assistance but initiates the review process.

Please understand that First Baptist Wylie cannot help everyone. If assistance is denied, we are not obligated to give the reason for denial. Thank you for your understanding and cooperation.

The desire for Hope for the Cities is to give a hand up in time of need. Please be open and honest with all your answers.
